

Family Practice Physician

Axis Community Health is a nonprofit community health center that has served the Pleasanton/Livermore/Dublin area since 1972. We provide medical care, mental health counseling, drug and alcohol recovery services, and WIC nutrition services for 14,000 Tri-Valley residents. We are eastern Alameda County's only provider of medical care for low income and uninsured residents.

We are seeking a Family Practice Physician to work out of our Livermore clinic site.

This is a 1.0 FTE salaried position (40 hours per week) including shift differentials. Position includes health/dental/vision insurance benefits.

For more information about Axis, visit us at: www.axishealth.org

Qualifications:

1. M.D. degree from a recognized University, one to two years experience working in primary care clinic setting.
2. Current valid California medical license.
3. Board certification preferred.
4. Expertise in family practice medical care.
5. Ability to keep accurate, clear and legible records.
6. Bilingual English/Spanish and/or other languages highly desirable.
7. Ability to interact effectively and in a supportive manner with persons of all backgrounds

Responsibilities:

Under the direction of the Medical Director:

1. Provide direct primary care medical services to include examination, diagnosis, treatment, referral and follow-up of patients.
2. Educate patients regarding their diagnoses, treatment and prognosis.
3. Provide all services in accordance with accepted medical standards, organizational policies, contractual requirements, and in a manner that is responsive to the needs of all patients.
4. Maintain complete, accurate and legible medical records according to established protocols.
5. Ensure that the clinical staff adheres to clinic protocols, to include patient flow and procedural matters.

6. Maintain a high level of awareness of evolving medical practices and work in collaboration with the Medical Director to develop and implement new practices and protocols as appropriate.
7. Participate in the 24-hour call schedule and provide appropriate medical triage according to established protocols.
8. Participate in Community Health Center Network meetings and activities where involvement of the clinical staff is required.
9. Participate in quality assurance, peer review and utilization review activities as assigned.
10. Perform other duties as assigned.

A background check is part of our hiring process. Axis Community Health is An Equal Opportunity Employer. E-mail your resume to scross@axishealth.org. Include "Family Practice Physician" in the subject line. Please provide a cover letter indicating why you are well suited for this position, and include salary history.
